*Participant Data does not include WRTP Participants. Due to the significant participant data nuances that WRTP manages the WFA staff is negotiating with WRTP and NFWS staff on how to most accurately report WRTP participants.

*Participant Data Reflects Total Reported Outcomes

*There are 10 participants entered into the DOL Recovery Act Data System that must be tracked back into their Milwaukee Builds Pathways Program.

*Participant Data Total Report Outcomes updates available 3/31/2011
